## Discontinued Products

During the past few years various older Strata systems have been discontinued in favor of newer technology Strata products that have taken their place. Toshiba commits to support discontinued systems for seven years, at which time add-on parts manufacturing ceases. This is the case with Strata XII<sub>e</sub>, Strata XX<sub>e</sub>, and EKT-6000-series electronic telephones as follows.

Effective June 30, 1996, Toshiba TSD will no longer provide parts supply for sales of the following discontinued products:

- ♦ Strata XII<sub>e</sub> Release 2 Electronic Key Telephone System
- ♦ Strata XX<sub>e</sub> Release 2 Electronic Key Telephone System
- ♦ EKT-6000-series Electronic Key Telephones

However, Toshiba TSD will continue to provide both technical support and repair services on these products until further notice.
